Independent Auditor's Review Report

Limited Review Report on Financial Results of RMG ALLOY STEEL LIMITED Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

To,
The Board of Directors of RMG Alloy Steel Limited,

We have reviewed the accompanying statement of unaudited Financial Results ("the Statement") of RMG Alloy Steel Limited ("the Company") for the quarter ended 30th June 2017, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

This Statement is the responsibility of the Company's management and has been approved by the Board of Directors in their meeting held on September 8, 2017. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of Company's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited Standalone Financial results prepared in accordance with applicable Accounting Standards i.e. Ind AS specified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and SEBI circular dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to Note 5 of the accompanying statement; the Company's net worth is eroded and the Company has continued incurring losses for the quarter ended 30th June 2017, indicating the existence of uncertainty that may cast doubt about the Company's ability to continue as a going concern. Considering the matters set out in the said note, this statement is prepared on a going concern basis. Our review report is not modified in respect of this matter.

We have not reviewed the financial results and other information for the quarter ended 30th June 2016, which have been presented based on the financial information compiled by the management.
